SECTION 6 · PERSONAL SHOPPER, HOW IT WORKS

Shop in the Center without leaving home.

You stay in control. Nothing is bought without your approval.

1 — Post what you need
Describe the product, add references and set your budget.

2 — A shopper accepts
Available shoppers get your request; one accepts.

3 — Find the best options
They visit stores and send photos and prices.

4 — Approve your purchase
Review the options and authorize before buying.

5 — Receive at home
The shopper buys and coordinates delivery.

SECTION 7 · FOR MERCHANTS

Your business deserves to be found.

Take your store to more people: show your products, reach new buyers and take advantage of digital commerce.

LOLE will offer **subscription plans for merchants**, designed for businesses of every size.

More visibility
